

Stevenson Trophy Chapter Competition

Leslie Karnauskas, President of Denver Chapter in 1992-93, accepted the banner for 14th Place in the Stevenson Division at the 1992-93 Annual Convention in San Francisco on June 22, 1993. This banner, for placing 14th out of the 181 chapters in the Stevenson Division Points Competition, was the first banner won in the 60-year history of the Chapter. According to Leslie, commitment to providing excellent membership benefits was the key.

The banner is the property of the chapter and is displayed at chapter meetings and functions.

The Stevenson Division is for chapters having 125 or more members. Banners are awarded each year to the twenty-five chapters with the highest achievement in points. Chapters also receive money to run their chapters through a system of payments based on the points competition.
