Denver-Centennial IMA Chapter Hosts 15th Annual Student Night

(Denver, March 2, 2011) -- The Denver-Centennial Chapter of IMA, the association for accountants and financial professionals in business, held its 15th annual Student Night at the Holiday Inn Select at Cherry Creek, Co. Over 80 students attended the event. The organization showed their support of young adult learners by presenting eight students with scholarships ranging from \$500.00 to \$1,500.00 for continued education. The winners are Tyler Daniels, Western State College; Joshua Metherd, University of Northern Colorado; Jennifer Reed, Colorado State University; Oliver Tromp, University of Northern Colorado; Daniel Gelamichael, University of Colorado Denver; Katrina Schuler, University of Denver; Nastassia Matusevich, University of Colorado Denver; and Tesa Manning, University of Wyoming.

According to Orland Varela, IMA Denver-Centennial Chapter president, "The scholarship award recipients all have set an excellent example for fellow students to follow, and merit receipt of their scholarship. Helping young people continue their education is one of the challenges our community faces, and it's a need our organization continues to address. We are also extraordinarily grateful for the support and contributions from our corporate sponsors of Comcast, Miller Coors, Telesis Consulting, LLC, Robert Half, First Data and Gleim and from members of our organization. You are helping us make a difference. We also would like to thank Fred Joseph, Securities Commissioner for the State of Colorado for providing the keynote presentation on "Everything You Ever Wanted to Know About Securities Regulation, But Was Afraid to Ask."

The IMA Denver-Centennial Chapter has over 500 members and meets on the third Wednesday of the month at 5:30 pm at the Holiday Inn Select – Cherry Creek, 455 South Colorado Blvd., Denver, Co.
